

Dear Brian & Jo Ann,
It was so comforting to have
you in my 'corner' during my
PT sessions.

I just wanted to express my
appreciation for the excellent
service you provided me.

It's rare these days to find
people such as you that goes
to great lengths to satisfy
its customers.

Hard work and consideration
for customers are values that
are rewarded in our society.

Best of luck in the future.

Sincerely
